Service Description: Are you community-minded and looking to be more involved in your local area? Timebanking is about creating connections through sharing skills and knowledge with people in Liverpool City. This NSW Government initiative (supported by the Liverpool Volunteer Resource Centre) is a community program that allows the voluntary exchange of services between members. Give an hour then receive an hour; by helping another member for an hour you then earn one hour of time credits to receive services back such as dog walking, gardening, painting, administrative assistance or learning a new skill. Timebanking is for everyone as we all have something valuable to offer.

Service Description: Curves is a fitness and weight loss centre specially designed for women featuring Curves Complete, the only program that includes exercise, meal plans and coaching – all in ONE place. Curves works because it provides you with a complete cardio and strength training workout in just 30 minutes... a workout that works for all fitness levels and ages, based on over \$9million of University sports lab research. With a system that can burn up to 500 calories and work every major muscle group, you get an efficient and effective workout every visit. It's no wonder over 4 million women have chosen Curves to meet their health goals. CurvesSmart, our unique technology gives second-by-second feedback based on your own personal fitness level and range of motion together with reports after your workout that show muscles worked, calories burned and personal targets met. And with a Curves trainer to teach and motivate, you're sure to reach your fitness goals in no time. Whether you want to lose weight and centimetres, gain energy or tone up, the Curves circuit will work for you. Jenny Craig weight loss programs also available for men and women.
