

Collingwood House: The Case of the Mixed-up Muddled-up Curator

Stage 1 years 1/2 HSIE HT1-2 HT1-3 ACHASSK044 ACHASSK045 ACHASSK046

Step back in time at Collingwood House.

Built in 1810, the house is one of the oldest farmhouses in Australia and is decorated to reflect the time.

Students take a tour of the house and reflect on its history. However, some mistakes have been made by our mixed-up, muddled-up curator and the students help to find objects that do not fit and correct the mistakes made by the mixed-up, muddled-up curator.

This program can be combined with the 'What was life like in the past?' program. Please contact the museum to discuss.

Duration 45 - 60 mins tour plus 15 mins welcome and induction.

Students 20-25 per session
