

The Three Rs of Research – Liverpool City Library

Is it RECENT? Is it RELEVANT? Is it RELIABLE?

Liverpool City Library presents the Three R's of Research, an educational program that will encourage your students to identify useful sources of information and to understand the Three Rs - Recent, Relevant and Reliable.

Get your students re-acquainted with the Library and help encourage access to free resources, databases, programs and services available through Liverpool City Library membership.

Have your students work with our experts to find the high quality information that is key to the success of their research projects. Discuss and identify the importance of building accurate bibliographies and using correct citations in this 60-minute program. Liverpool City Library is here to help your students navigate the digital information space in the information age!

Should you require any further information, please do not hesitate to contact us by email at fulhamc@liverpool.nsw.gov.au or by phone on 02 8711 7176.

Yours sincerely
