

National Geographic Kids

National Geographic Kids magazine gets kids excited about their world around them. Each issue is packed with fun features and facts about animals, science, technology and more. Along with many other features, it provides all National Geographic Kids magazines in a full text replica from 2009 to present.

Sign in

To access National Geographic Kids, click on the [link](#) and provide your membership number (from your card, starting with 2000, or if you signed up online, your member number starting with C).
